## Administrative Change to Approved Site Plan Projects

Arlington County Zoning Ordinance (ACZO) §15.5.3.C defines Administrative Change as ***“Any minor modification of the approved site plan which complies with the spirit of this zoning ordinance, the intent of the County Board in its approval of the site plan, and the general purpose of the Comprehensive Plan for the development of the area. Administrative changes may be approved by the zoning administrator.”***

The zoning administrator may approve only those Administrative Changes that meet these criteria. In requesting an Administrative Change, applicants should describe how the proposed change complies with the intent of the County Board, in approving the original plan. Aspects of the Site Plans that were at issue during the approval process may require a Site Plan Amendment.

## Filing Instructions

Applications for Administrative Changes to approved Site Plans may be submitted to the Zoning Division (2100 Clarendon Boulevard, Suite 1000, Arlington, Virginia 22201) weekdays, between 8:00 a.m. and 4:00 p.m. Staff will complete review within 30 days of receipt of a completed application and supporting documents.

All Applicants Must Include: (Submit in sets of four for landscape plan changes, two for all other requests)

1. Complete application.
2. Description of requested change(s).
3. A Statement of Support is required for all Site Plan projects. This statement should include a description of how the requested change(s) complies with the spirit and intent of the County Board approval as well as comparisons of building footprints, setbacks, heights, and materials as appropriate.
4. Requests to modify building footprints, setbacks, heights, and building façade materials should be accompanied by plats and/or drawings marked to show both the original approval and requested changes. **DRAWINGS LARGER THAN 24” X 36” WILL NOT BE ACCEPTED.** Drawings, renderings, photos, material samples, and any other information that will assist the staff in its review must be submitted in **duplicate**; or in sets of **four (4)** for landscape changes.
5. Filing fee (**See Fee Schedule dated April 12, 2014**) should be made payable to the Treasurer of Arlington County. (If a request or any portion of the application requires a Site Plan Amendment, applicants will be required to submit a Minor Site Plan Amendment application. If the entire request requires a Site Plan Amendment, the filing fee will be allocated to the Site Plan Amendment fee.) If applicable, a filing fee of \$128.10 is charged for administrative review of signs in addition to the sign permit fee.
6. Letter of consent from the property owner.
