AGREEMENT IN LIEU OF EROSION AND SEDIMENT CONTROL PLAN

Land Disturbing Permit Number _____
Building Permit Number _____
Subdivision _____
Lot Number _____
Lot Address _____

In lieu of a certified Erosion and Sediment Control Plan for this project exceeding 2,500 square feet of land disturbance, I agree to comply with any reasonable requirements determined necessary by inspectors of Arlington County Department of Environmental Services, Development Services Bureau and representing the Erosion and Sediment Control Administrator. Such requirements shall be based on the conservation standards contained in the Arlington County Erosion and Sediment Control Ordinance, and shall represent the minimum practices necessary to provide adequate control of erosion and sedimentation on or resulting from this project. Documentation supporting Erosion and Sediment Control, Site Grading, Storm Water Control and Site Ground/Canopy Cover will normally be required in both narrative and illustration form.

As a minimum, all denuded areas on the lot shall be stabilized within 7 days of final grading with permanent vegetation or a protective ground cover suitable for the time of the year. Clean up all the debris inside the public ROW, including the stormwater catch basin.

I further understand that failure to comply with such requirements within three (3) working days following notice by representatives of Arlington County DES could result in citation for violation of the Arlington County Erosion and Sediment Control Ordinance.
